

Hi I am **Kim Burke**, a Product Designer based in Scotland. I am passionate about creating intuitive designs to better peoples lives.

## EDUCATION

### MASTERS OF SCIENCE

**Product Design**  
DJCAD, University of Dundee  
(Current) 2020-2021

### BACHELOR OF SCIENCE (Hons)

**Product Design** - First Class Hons  
DJCAD, University of Dundee  
2016-2020

## SKILLS

### PRACTICAL

My interdisciplinary background with UX and Graphic designers has taught me the value of teamwork + collaboration. My leadership role, driven through my attention to detail and strong work ethic has saw problem solving reach new heights.

### TECHNICAL

Recently I have thrived in persona illustration, storyboarding, technical low fidelity rapid prototyping. Previously I translated user research and co-design activities to improve user experience.

## EXPERIENCE

May 2019 - May 2020

### Intern - Louise Forbes Design - Dundee

Working at the heart of an independent small design business was an invaluable experience. During my time with Lousie I developed an intuitive and responsive website, co-ran her shop Tayberry Gallery in Perth and assisted in her woodcarving workshops, furthering my craftsmanship and leadership qualities.

Jun 2018 - Nov 2019

### Bartender - Dukes Corner - Dundee

This position brought the challenge of delivering high quality customer service in a busy thriving environment. This role built my endurance working long and irregular shift patterns behind the bar.

May 2017 - Dec 2017

### Bartender - The Lodge on Loch Lomond - Glasgow

Working in a busy bar within a four star luxury hotel developed my professionalism greatly. The fast paced environment strengthened my agility and service skills flourished.

Mar 2012 - Feb 2016

### FOH + Workshop member - The Framing Workshop, Glasgow

This very hands-on role was filled with responsibility and required great organisation. At the Framing Workshop I produced finished framed art, canvas and items throughout each stage of production to a high quality standard. This role sparked my interest in custom design, tailoring the each item to the artwork and customers needs.

Aug 2015 - Jun 2016

### Event Co-ordinator - Argyll Youth Arts, Argyll and Bute

This role bridged my first step into service design, curating and bringing interactive art and design workshops to children in the west coast of Scotland.

## AWARDS AND RECOGNITION

### Alexander Leslie Russell Award, DJCAD - 2020

Acknowledgement was shown for my performance during my Honours project, presenting 'See Buoy' at the DJCAD degree show.

### Runner up in NCR student design competition - 2019

Presenting at the V&A Dundee following the brief 'Interconnectivity through the 'Internet of things'

Get in touch.
